

Centennial High School Improvement Team

Agenda & Minutes: December 11, 2007

Philosophy: The SIP Team supports the continuous improvement process to promote an effective partnership of school, home and community.

Mission: Through shared decision making, the SIP Team serves to initiate, monitor, facilitate, coordinate and support the continuous improvement process.

Members of the group: CHS administration, ASB President, 1 counselor, 1 classified employee, 3 classroom teachers, 6 parents, campus security, 2 additional students

AGENDA: CHS School Improvement Team Meeting, Tuesday, October 30, 2007

PRELIMINARY BUSINESS:

- A. WelcomeGraham and Robarge
- B. Roll Call of Members..... Robarge
- C. Minutes:Robarge – ***No minutes due to the fact this is the first official meeting***

OLD BUSINESS:

- A. Patriot Parent Club, Parenting Continuum, Web Site.....Robarge
- B. SIP Box.....Robarge – ***2 items submitted to SIP Box during parent teacher conferences. One item of concern: Inappropriate music and dancing at school dances. Student council has addressed this issue by purchasing their own iPod and DJ equipment. Student council will control play list and have the play list approved by the administration before every dance. The administration will discuss this issue with the student body during Student Senate meetings and morning announcements. The student body will also recruit more chaperones for big dances. Next item was positive comment regarding PAT. The parent liked the program asked that the program be in place next year.***

NEW BUSINESS:

- A. Hybrid Schedule.....Graham and Moyer – ***There is a lot of information circulating that is not true. A mailing will go out to parents in January. Some clarifications: There will only be one lunch period, block classes are yet to be set, zero hour is still an option, early release for seniors still an option, AP and math classes will meet every day, students will request seven classes and two alternates for each semester during the registration process.***
- B. Sportsmanship at Games.....Haener – ***The committee brainstormed ideas to relay IHSAA rules and guidelines to parents, students and visiting fans. Suggestions: Post rules on banner and acknowledge banner before every game. Teach freshman sportsmanship expectations during frosh orientation. Have a guest speaker announce the expectations before every game.***
- C. Music and Dancing at School EventsRobarge and Graham - ***Student council has addressed this issue by purchasing their own iPod and DJ equipment. Student council will control play list and have the play list approved by the administration before every dance. The administration will discuss this issue with the student body during Student Senate meetings and morning announcements. The student body will also recruit more chaperones for big dances.***
- D. Cheerleader Placement..... Graham – ***The number of cheerleaders will be increased for home, varsity basketball games and the cheerleaders have been moved to the front of the student section.***

STANDING ITEMS:

- A. Principal's Report.....Graham
- B. Activities and Athletics – Watson
- C. School Safety Report.....Naputi and Lewtschuk – ***Mr. Naputi and Officer Lewtschuk are currently researching new technology to improve security and safety on campus. "Lock it or Lose it" campaign has kicked off to address locker room theft. Students are not securing lockers and items are coming up missing.***
- D. Grade 9 Report.....Haener
- E. Grade 10 Report.....Gallia
- F. Grade 11 ReportRobarge
- G. Grade 12 Report.....Johnston
- H. Student Report
